

Jersey res power for good

What makes Res a great company?

At RES, our people find strength in our differences and build successful teams and projects because of them. In this... We are RES, the world's largest independent renewable energy company with 40 years of experience delivering global renewable energy solutions.

What makes Res a worthy winner?

The judges commented that 'RES has scale, geographic reach and depth of corporate knowledge and culture. They aren't just progressing with their portfolio, they are also engaging in a number of initiatives, such as LEDS, to address community engagement issues. They are a worthy winner because they are doing something for the greater good as well.'

What is a power for good?

Our vision is a future where everyone has access to affordable zero carbon energy. We strive to be a Power for Good through our core values: passion, accountability, collaboration and excellence. These values define our culture and enable our vision. They drive performance and create an environment which is motivating for all our employees.

Why should you join res?

There is a wealth of expertise and experience within RES, developed over 40 years of innovation in the renewable energy sector. This knowledge is invaluable in enabling future success.

Why did res stand down for safety?

More than 3,000 RES employees across our 10 countries took part as we stood down for safety. The event was about a clear and simple message: "Don't risk it" - focussing on how each of us at RES have a responsibility to manage our own risk and make decisions to remove the risk we and others take around us.

How does res support employees?

To enable RES to remain at the forefront, ensuring our employees have the right skills, knowledge and abilities we also offer support to employees through sponsored learning and education.
