

JinkoSolar Photovoltaic Panel Controller

Where should Jinko Solar PV modules be installed?

.2.2 Site SelectionIn most applications, Jinko solar PV modules should be installed in a location where they will receive maximum sunlight throughout the year. In the Northern Hemisphere, the module should typically face south, and in the Southern Hemisphere, the modules should t

How many solar panels does JinkoSolar produce?

As of September 30,2021,JinkoSolar has delivered more than 80GWsolar panels globally,which makes JinkoSolar the world's largest photovoltaic module manufacturer in terms of cumulative shipments. 9BB technology decreases the distance between bus bars and finger grid line which is benefit to power increase.

What should I know before installing Jinko Solar?

as may be present.Do not remove any part installed by Jinko Solar or dis le the module. All instructions should be read and understood before attempting to install, wire, operate and ain the module. Don't lift up PV modules using the attached cables he junction box. Do not touch live termin

Who is Jinko Solar?

JinkoSolar serves more than 180 countries,is a global leader in photovoltaic sales,and pioneers "vertical integration" in production. JinkoSolar owns 14 globalized manufacturing bases. JinkoSolar actively shapes industry standards,contributes to international frameworks,and promotes diverse applications of photovoltaic technology.

Does JinkoSolar have a vertically integrated solar product value chain?

JinkoSolar has built a vertically integrated solar product value chain,with an integrated annual capacity of 31 GW for mono wafers,19 GW for solar cells,and 36 GW for solar modules,as of September 30,2021.

What does JinkoSolar do?

JinkoSolar specializes in integrated research,development,and manufacturing of photovoltaic products,as well as providing comprehensive clean energy solutions. They lead in sales in the global mainstream photovoltaic market. Their products serve over 180 countries and regions worldwide,catering to more than 3,000 customers.
