

Mit der Junelight Smart Battery hat Siemens jetzt einen Batteriespeicher zur Speicherung und Nutzung von eigenerzeugtem Strom speziell für Eigenheime auf den Markt gebracht. Der Lithium-Ionen-Speicher vereint Funktionen für ein intelligentes und sicheres Energiemanagement mit modernem Design. Eigenheimbesitzer können damit den maximalen ...

The Junelight Smart Battery coordinates the predictive charging and discharging procedures depending on the weather-related yield forecast of the photovoltaic system and the individual consumption profile of the household. Using the mobile Junelight Smart App, all energy flows - from production, through storage, right down to consumption and grid in-feed - can ...

Further, and playing to its "Smart Battery" title, Junelight is paired with a mobile smart app which monitors in real-time all energy flows -- from production to storage and all ...

Innovative Technologie Die Kapazität der Junelight Smart Battery lässt sich modular und zeitlich unbegrenzt erweitern: Bis zu sechs Batterieeinheiten mit einer Nettokapazität von je 3,3 kWh ...

Junelight is a smart battery for the storage of solar energy, which meets the requirements of modern residential properties. It combines cutting-edge components with a special ventilation concept and thus manages to produce a very flat profile of ...

Siemens Junelight Smart Battery - WEB App 3.2 Open Source Software English / English Note to Resellers: Please pass on this document to your customers to avoid license infringements. Third-Party Software Information This product, solution or service ("Product") contains third-party software components listed in this document.

Innovative technology The capacity of the Junelight Smart Battery allows for unlimited modular expansion at any time: up to six battery units with a net capacity of 3.3 kWh each can be retrofitted and flexibly adapted to changes in consumption behavior, e.g. when connecting heat pumps or charging electrical vehicles.

Siemens's Smart Infrastructure Low Power (SI LP) business unit and SDI recently released the Junelight Smart Battery, a consumer battery product for use in homes to store electrical ...
