Once again, Neotech confirmed compliance of its quality management system with international standards and received an ISO 9001:2008 certificate. 2010. The ...

However, the issue of implementing and developing the state language in Kazakhstan to this day has not been fully resolved. This is most likely an issue of time. While in the beginning of the 20th century the great Abai Kunanbaev propagated the idea of studying the Russian language, today the time has come to study the Kazakh language.
