

Kenya go solar systems ltd nairobi

What is Go Solar Ltd?

Go Solar Ltd is a leading Kenyan solar company with over 3000 successful residential and commercial installations since 2003. They guarantee a top class solar power system for both residential and commercial requirements, whether grid-tied or off grid.

How does solar energy work in Kenya?

In Kenya, where power cuts are common, solar energy provides a reliable solution. Solar energy works by converting sunlight into electricity. When the sun is not available, alternate back-ups are there to ensure uninterrupted work and electricity consumption.

How does a solar water heater work in Kenya?

In Kenya, a Solar Water Heater saves you 70 percent on your annual hot water bills. It does not connect to the public utility grid like Grid-tie systems, but instead heats water using solar energy. We supply and install solar water heaters in Kenya.
