The Kenyan government has confirmed the solar plant implementation agreement with Ergon Solair Africa, the subsidiary of the US-based Ergon Solair PBC. The Energy and Petroleum Regulatory Authority (EPRA) of Kenya issued the authorization for the construction of the 40 MWp plant to the US company in 2020.

Prolonged drought has profoundly impacted hydroelectric power-dependent Zambia. The government is enacting reforms to mitigate the crisis, most significantly increasing tariffs in October on an emergency basis - a move which could pave the way for permanent cost-reflective tariffs. Developers are also advancing a solar PV pipeline that would see installed capacity ...

The American Samoa Government owns the American Samoa Terminal. The US Navy constructed the terminal and turned over ownership after World War II. In 2010, Pacific Petroleum Company, a French Polynesia company, dba Pacific Energy, South-West Pacific, Ltd., assumed operation of these assets from the former lease holder, British Petroleum. The
