

Lubi solar Senegal

What solar products does Lubi electronics offer?

Lubi Electronics's solar product offerings include solar photovoltaic modules, solar pumping systems and solar inverters. We specialize in designing and manufacturing high-quality electrical panels for a wide range of applications. Our panels are custom-built to meet your specific needs and are built using only the quality materials.

Who is Lubi electronics?

Lubi Electronics specializes in manufacturing AC and DC solar pumping systems. Our products achieve industry leading efficiency with lowest carbon footprint. Pumps and motors account for 1/3 of all electricity used in the world. Join us solarize all pump and motor applications for a sustainable tomorrow.

Why should you choose Lubi electronics?

Lubi Electronics knows that clean affordable solar electricity is an essential part of the worldwide energy mix. Our experience across the solar value chain reduces risk while delivering more reliable, dependable and cost-effective solutions for our customers. Go solar, reduce your energy bills and make a positive impact on climate change.
