How many charging stations are there in Luxembourg?

102 of the country's 800 charging stations will be located in the capital. By 2013, the City of Luxembourg had already launched a project to install electric charging stations in three public car parks (Schuman, Rocade and P+R Bouillon).

What is Chargy - a public charging station network in Luxembourg?

As part of this project, Luxembourg created Chargy in 2017 - a public charging station network for electric and plug-in hybrid vehicles. The Chargy network in Luxembourg has two types of charging stations: These charging stations have two charging points, which can be adjusted between 3.7 kW and 22 kW, depending on the type of vehicle.

Where can I install a charging station in Luxembourg?

In Luxembourg, the mydiego.lu initiative offers all-inclusive packages for installing a charging station in your home, whether it is a single-family house or a multi-family residence. Want to know more about paying utility bills in Luxembourg or how to choose a good provider?

How many superchargy stations are there in Luxembourg?

Since the summer of 2022, SuperChargy stations have been installed along Luxembourg's main highways to add a total of 88 of these stations to the existing Chargy network throughout the country. Although the SuperChargy stations offer faster charging times, it is recommended not to overuse them as they can lead to battery wear and tear.

How does Luxembourg encourage the use of electric and hybrid vehicles?

The government has made a significant effort to encourage the use of electric and hybrid vehicles, which has increased the number of charging stations across the country. In addition, the Luxembourgish government provides financial aid for the purchase of electric or hybrid vehicles.

Can I charge my electric vehicle at home in Luxembourg?

Charging at home is generally cheaper, with prices ranging between 5 to 10 euros for a full charge, depending on the kWh rate agreed with the electricity provider. Yes, it is possible to charge your electric vehicle at home in Luxembourg.
