

Who is Wasco Energy?

A globally integrated energy infrastructure group, Wasco Energy is committed to serving its expanding pool of clients around the world. Established in Malaysia, our strong foothold in Asia is supported by a vast network of international operations and facilities.

Does Wasco support energy transition?

Beyond this dedication to environmental responsibility, Wasco is resolute in its commitment to energy transition within the oil and gas sector. Recognizing that a successful transition necessitates collaboration between the public and private sectors, Wasco actively seeks strategic partnerships.

Does Wasco Energy comply with the employee handbook & ABC policy?

This Policy leverages on the values and core principles set out in the Employee Handbook. Full compliance to both the Employee Handbook and this ABC Policy is mandatory. Wasco Energy is a subsidiary of Wah Seong Corporation Berhad (Wah Seong), a Malaysian public listed entity.

Is Wasco a sustainable company?

Wasco emphasizes sustainability and environmental responsibility throughout its business operations. The organization has set an ambitious target to achieve net-zero carbon emissions throughout its operations by 2026. A significant part of this commitment revolves around the 'Wasco Forest' initiative.

What services does Wasco offer?

Wasco's Pipeline Services Division is renowned for its expertise in pipe coating, pipe manufacturing and corrosion protection solutions. Comprehensive solutions covering engineering design, procurement, packaging, general fabrication, installation, commissioning, operation and maintenance (O&M) services.

What pillars does Wah Seong Corporation have?

Having transformed itself into a global integrated energy infrastructure group, Wah Seong Corporation two main strategic business pillars are its Oil and Gas Division and Industrial Services Division. Today Wah Seong Corporation provides world-class specialized services across the value chain of various industries internationally.
