Where is rangebank Bess located in Cranbourne?

Rangebank BESS, named after the Rangebank Business Park (where it is located) will be connected to the electricity grid through the adjacent Cranbourne Terminal Station, which is operated by AusNet. Why is it being constructed in Cranbourne?

Who is constructing the rangebank Bess project?

The project is proudly being developed by Eku Energy and Shell Energy Australia. The Rangebank BESS will be built, serviced, and maintained by Fluence- a global leader in energy storage products and services within the renewable energy and storage sectors.

What is rangebank Bess?

It will provide 200MW /400MWh capacity of reliable and flexible energy solutions. Rangebank BESS, located in the Rangebank Business Park, will be connected to the electricity grid through the adjacent, AusNet operated, Cranbourne Terminal Station. We are holding a community information event on Friday 28th July between 12 and 5pm.

Will Cranbourne terminal station be a Bess?

Cranbourne Terminal Station is a major sub-station in Victoria's electricity network providing an ideal point to connect to the grid for a BESS. Will there be any impact on the local community through the construction of the battery? The BESS is to be constructed within an industrial area at the emerging Rangebank Business Park.

Who builds the rangebank Bess battery?

The Rangebank BESS will be built, serviced, and maintained by Fluence- a global leader in energy storage products and services within the renewable energy and storage sectors. The battery, built within a 19,250sqm footprint, will utilise Fluence's sixth generation Gridstack(TM) energy storage technology.

How much power can a rangebank Bess provide?

The Rangebank BESS can provide 200 MW of dispatchable power over two hours. This is equivalent to: o The capacity to power the equivalent of approximately 80,000 homes across Victoria for an hour during peak periods. o The capacity to provide approximately 5 hours of average household energy consumption of all the dwellings in Cranbourne.
