MAKEEN Energy is a global, market-leading house of energy that unites several business areas under one roof and one common purpose: responsible energy solutions for people and planet. Aside from the purpose, all the entities, subsidiaries and work sites we own or operate around the world share a common set of policies.

The best thing about working for MAKEEN Energy. I am truly grateful for the remarkable opportunity that MAKEEN Energy has extended to my family and me, enabling us to make the significant move from Canada to the United States. This transition has been a pivotal moment, fostering not only personal growth but also a tremendous learning experience ...
