Is tourism growing in the Maldives?

Over the past decade, tourism to the Maldives has grown exponentially. Business Insider cites a nearly 15% increase in tourist arrivals for the first quarter of this year compared to 2023. Almost every major resort brand and hotel company is scrambling to find an island to call their own, but few are locally owned.

Is name recognition a problem in the Maldives?

Name recognition can be a hurdle, especially in a crowded marketplace where the U.S. Mission to the Maldives says tourism represents 70% of the national gross domestic product. The Maldives Marketing and Public Relation Corporation is working to change that by boosting general advertising in the U.S.

The water villas at Sun Siyam Vilu Reef are surrounded by some of the best coral reef in the Maldives, we've shared the resort's island home with exotic flora and fauna for over 20 years.
