Who is Menlo electric?

Menlo Electric is the fastest growing EMEA distributor of PV modules and inverters. We operate in more than 40 markets, offering solar components from the best brands. Our 15 logistics centers in EMEA enable quick and affordable delivery. 65 Sales Representatives provide you with easy access to the best solar components.

What is Menlo electric & JinkoSolar doing?

Menlo Electric and JinkoSolar announce a renewed commitment to boost sustainable energy deployment across Europe, Africa, the Middle East, and South Africa. In the past three years, Menlo Electric has integrated 1GW of Jinko's photovoltaic modules into these markets.

Who are Menlo electric & Jinko Solar?

Menlo Electric, a rapidly expanding distributor of photovoltaic solutions in Europe, the Middle East, South Africa and entering the USA market earlier this year, and Jinko Solar, a global frontrunner in the solar industry, disclose their strategic alliance aimed at fostering an increase in renewable energy projects.

Will Menlo electric distribute another 1 GW in South Africa?

Now, with an ambitious target set, Menlo Electric aims to distribute another 1 GW in the next 12 months in Europe, the Middle East, South Africa. Menlo Electric stands as the top distributor of JinkoSolar products in the MENA region, ranks among the top three in Europe, and is the second-leading distributor in South Africa.

Does Nicaragua have geothermal power?

The Maribios Range is part of the Pacific "Ring of Fire" and contains several active volcanoes. The government estimates Nicaragua's geothermal potential to be 2,000 megawatts. Nicaragua's National Electric Transmission Company (Enatrel) seeks to transform the country's energy mix by focusing on renewable energy with its 2022-2037 expansion plan.

Why did Menlo electric participate in szlacheta Paczka?

In 2022, Menlo Electric took part in Szlacheta Paczka - one of the most popular Christmas charity events in Poland that supports families in tough life situations. Thanks to volunteers from Menlo, we provided a fridge, food, cleaning products, clothes and many other for them. We also remembered to get the dream gift for each member of the family.
