JLEN is also looking to expand its battery storage portfolio, having raised £56.9 million through an oversubscribed share placing in May. Anesco has now constructed more than 100 solar farms and 30 energy ...

Constructed on a brownfield site in Lascar near Manchester, the installation comprises 16 1.25MW/1.25MWh lithium ion containers. The project has been funded, designed and installed by Anesco and is being monitored by the company's operation and maintenance service, which will ensure the batteries continue to perform at their optimum efficiency.

Steve Shine, chairman at energy efficiency solutions company Anesco, which has deployed a number of co-located or combined solar and storage sites and recently developed the UK's first "subsidy-free" solar farm at Clayhill, said that one issue that was currently preventing greater deployment of battery storage was the failure of associated ...
