Photonic Universe Ltd is an established supplier of solar, wind and other battery charging solutions based in London, United Kingdom.. We primarily offer solar and wind power products, including complete solar systems for various applications. Our thousands of worldwide clients rely on our products to generate clean energy for their households, vehicles and boats, as well as ...

Photonic Universe 40A MPPT solar charge controller / regulator with built in LCD display for solar panels up to 520W (12V battery system) / 1040W (24V battery system) up to 100V ... Photonic Universe . Photonic Universe Ltd is an established supplier of solar, wind and other battery charging solutions based in London, United Kingdom.

At Photonic Universe we love high quality solar products. That's why we have developed this highly durable semi-flexible solar panel reinforced with anodised aluminium and a strong ETFE surface and made from monocrystalline solar cells. This high efficiency 50W solar panel is perfect for permanent outdoor use to provide free electricity for charging 12V batteries to power ...

Photonic Universe Rigid Framed Solar Panels. High efficiency, monocrystalline, rigid framed solar panels from Photonic Universe. Made with high-quality solar cells designed for high performance, even in low light conditions. Ideal for use in off-grid systems boats, campervans, motorhomes, caravans and 4x4s.
