

Nes new energy systems ltd Iraq

Who is nes & how does it work in Iraq?

NES is the only international provider to obtain Iraq's employment license for foreign & local recruitment services. We currently have over 1,000 contractors working across Basra, Baghdad and other remote locations within the Iraq region, on projects such as The Rumaila field.

Who is NES based in Baghdad?

Fully incorporated in Baghdad, we have a 100% locally owned entity, Al-Mazaya General Services LLC. NES has been in Iraq for 12 years and is fully incorporated in Baghdad under the company name North Eagle Star General Services & Manpower recruitment for Foreigners, Arabs & Iraqis, LLC.

Where are NES contractors working?

We currently have over 1,000 contractors working across Basra, Baghdad and other remote locations within the Iraq region, on projects such as The Rumaila field. Based in the south of the country, this oilfield is considered to be the fourth largest in the world - NES has supported this project for almost a decade and we are continuing to do so.
