

Sea. One of them, consisting of Lord Howe Island and Ball's Pyramid, has never produced any evidence of prehistoric human settlement, even by extensive test-pitting, coring and drilling (Anderson, 1996a, Macphail, 1996). In the other, consisting of Norfolk Island, Nepean Island and Phillip Island--the Norfolk Island archipelago--indications of

The Middlegate area became the Island's central town hub which was presumably because of its location in relation to the landing points at Kingston and Cascade, and it wasn't until closer to the WWII era, and after the ...

Kingston is Norfolk Island's most expansive lowland area and has become the epicentre of its many eras of history, largely for this reason, and has hosted four distinct periods of settlement from around 1000AD to the present day. ... Kingston is a living heritage site and a community hub. It is a place for gathering, for sharing, for ...

With that concept in mind, The Ryves" have been telling the Norfolk Island story with passion and sensitivity for four decades. ... A recent trip to South-east Asia greatly inspired the couple, and they wished they were able to bring home some beautiful old bowls and vases. Steve dreams of one day visiting Japan, where the ancient art of ...

Norfolk Island is an external Australian territory in the Pacific Ocean about 1600 km northeast of Sydney. Norfolk Island is one of Australia's most isolated communities and one of its oldest territories, having been settled six weeks after Australia's founding settlement at Sydney, New South Wales. Norfolk Island has a diverse environment and notable historic sites offering a ...

Norfolk Island is a small subtropical island approximately 1,600 km north-east of Sydney and 1,100 km north-west of Auckland. The 8 km by 5 km of verdant landscape bordered by pristine coastline make up our beautiful home in the South Pacific. It only takes a short flight from Australia or New Zealand to feel totally off-grid.

Norfolk Island now becomes a citadel, an important link in an impregnable chain that will eventually strangle the Jap. And so dear folk, "time marches on", history is being written anew, and your lovely isle takes her rightful place in affairs of to-day, worthy indeed of the descendants of that spirited and defiant band whose inspiration ...
