THE High Court this week delivered a massive blow for Frazer Solar, a Germany company trying to impound Lesotho's assets over a botched solar power deal. The court ruled that the M2 billion contract Frazer Solar signed with former Minister Temeki T?olo in 2018 violated Lesotho's constitution and procurement regulations.

Excellent installation, Considerate patient advise I am happy I went with ONE STOP SOLAR. After a few Quotes, I was still very confused with it all, Until I rang One stop solar, Chris explained every detail clearly, making me confident immediately. He told me I did not need to do anything, they would arrange it all, which they did.
