Who makes luminous inverters in Nigeria?

We'll get back to you within a time to schedule a quick evaluation call. Surulere, Lagos, Nigeria. Luminous is the leading brand of inverters and online UPS systems in Nigeria - marketed, distributed and serviced by Wandel International, part of the Simba Group of Companies.

What is a portable inverter consumer device?

Portable inverter consumer devices allow the user to connect a battery, or set of batteries, to the device to produce AC power for running various electrical items such as lights, televisions, kitchen appliances, and power tools that give you entertainment and pleasure in your home.

How do I choose the right inverter?

To choose the right inverter, start by thinking about what electrical items you need to power during a blackout (like lights, fans, or a fridge). The total power used by these items will help determine the size of the inverter and battery you need. You can contact us, and we'll help you figure out the best setup for your needs.
