

PV Inverter Warranty Scam

What is the warranty on a solar inverter?

Rest assured, all our systems come with a 5 year workmanship warranty. Individual components like the inverter have their own product warranty (5-10+ years), and the panels have a performance warranty up to 25 years. Unless you've noticed a drop in generation, there is unlikely to be any faults with the components.

Do solar panels need a new inverter?

Use these tips from owners for how to make the most of your solar panels. Cold callers had told 15% of solar panel owners in our survey that their inverter needed changing. Inverters don't tend to last as long as solar panels. So you'd expect to replace it during the 20+ year lifespan of your panels.

Are solar panels covered by a warranty?

Many solar panels are covered by a warranty from the manufacturer. Customers may also have additional guarantees from the company that installed the panels. If households notice a problem, these should be their first ports of call. Cold call 2: 'Do you need a voltage optimiser?'

Do you need a solar inverter optimiser?

Savings will be influenced by how high your incoming voltage is, how efficient your appliances are, how much electricity you use, and how long the optimiser is expected to last. Use these tips from owners for how to make the most of your solar panels. Cold callers had told 15% of solar panel owners in our survey that their inverter needed changing.

Are 'free solar panel health checks' a scam?

We're regularly contacted by customers, who have received an unsolicited call or letter from another company, offering them a 'free solar panel health check' or warning about their solar PV system being at risk of failing. This is a common scam.

Are solar panels a scam or a cold call?

Here are the cold calls and potential scams to avoid. More than a third of solar PV panel owners in our recent survey told us they have been cold called about their panels in the past five years. Most cold callers were trying to sell them something unnecessary, but a few owners were told something completely untrue.
