

# Photovoltaic panel bird repellent solution

Does solar panel bird protection work?

We're happy to install solar panel bird protection on both small and large scale solar panels. We use solar panel bird proofing that is professionally designed especially for solar panels: it is a permanent solution to stop birds nesting under solar panels. We also get rid of the birds at the solar panels according to Animal Welfare laws.

What is the best bird-proofing solution for solar panels?

An effective bird-proofing solution for solar panels is offered by the laser bird deterrent system AVIX Autonomic. The AVIX Autonomic Laser bird deterrent offers an innovative solution to bird-proof solar panels, reducing the need for frequent cleaning and associated costs.

How to stop birds nesting under solar panels?

We use solar panel bird proofing that is professionally designed especially for solar panels: it is a permanent solution to stop birds nesting under solar panels. We also get rid of the birds at the solar panels according to Animal Welfare laws. We clear out the mess from under the solar panels and in the gutters too.

What is solar panel bird exclusion?

Our solar panel bird exclusion is made especially for solar panels: no drilling is needed during installation and no damage is done to the solar panels. The solar panel bird proofing is very long-lasting and is a permanent installation, unlike some solar panel bird proofing kit which comes loose after even just one year.

How much does solar panel bird protection cost?

There is no single cost that covers the work involved in solar panel bird protection. However, we will do all we can to ensure that we provide an affordable service. The cost of the work is determined by the size of the solar panels, the severity of the problem, and access to the solar panels.

Are there birds under solar panels?

Birds mess under solar panels damages the roof and gutters and just a few birds can turn into many more birds over a short period, making it worse. If you've got birds at your solar panels then ring or email us for professional pest control advice about solar panel bird exclusion and how much it costs to bird proof and pigeon proof solar panels.
