

Photovoltaic panel contract breach

What happens if a solar company fails to deliver a warranty?

If your solar company fails to fulfill their obligations as outlined in the contract, such as delivering the agreed-upon system or providing the promised warranties, you may have grounds for a breach of contract lawsuit. Did your solar company make false statements or misrepresentations during the sales process?

How do I file a lawsuit against a solar energy company?

This can include documents such as your solar energy contract, photographs of any damage, correspondence with the solar company, and any other relevant information. While you may be able to handle a small claim on your own, it's generally advisable to hire a lawyer who specializes in solar energy litigation.

What causes a solar company to sue?

One of the most frequent reasons for legal action is breach of contract. This can occur when a solar company fails to deliver on their promises or does not complete the installation as agreed upon in the contract. Another common lawsuit case involves faulty products or services provided by a solar company.

Do Solar EPC contracts have performance issues?

Performance issues and disputes will invariably arise from time to time. Solar EPC contracts generally provide fixed dates for project completion.

What happens if a solar company is liable?

Here are a few potential outcomes: If the court determines that your solar company is indeed liable for the issues you've experienced, they may award you compensation to cover the costs of any damages you've incurred. This can include repair costs, property damage, and any financial losses resulting from the solar installation.

Can a solar company file a class action lawsuit?

In the case of solar companies, class actions may arise when many customers have been affected by the same issue or breach of contract terms. For example, if a solar company installed faulty panels in hundreds of homes and refused to fix them, all affected homeowners could join together in one lawsuit against the company.
