

Photovoltaic panel warranty and line warranty

What is a solar panel warranty?

Solar panel warranties are more than just a piece of paper; they are a crucial safety net for anyone considering investing in solar energy. They offer a guarantee that you get the most out of your solar panels.

Can a solar panel warranty be voided?

For example, warranties may be voided if the solar panels are not installed according to specified guidelines or if unauthorized modifications are made. Certain solar panel warranties might not cover fire damage or other outside sources.

Are solar panel warranties a good investment?

Understanding and comparing solar panel warranties are crucial steps in your solar investment journey. They not only provide a safety net for your investment but also serve as an indicator of the quality and reliability of the product.

Are solar panel warranties transferable in a home sale?

In most cases, solar panel warranties are transferable to the new owner in a home sale. However, some warranties are restricted to the original owner, so it is crucial to clarify this point with the manufacturer and installer offering the warranty.

What is a solar contractor warranty?

Solar contractor warranties are essential to your solar energy system's overall protection. These warranties, provided by the installer, generally cover workmanship and installation issues. They ensure the solar panels are correctly installed, and the system operates as intended. The duration of contractor warranties can vary.

How long does a solar installation warranty last?

Installer performance guarantees can last between 5-10 years, and the specifics vary by company. Finally, if you go solar through a marketplace like solar.com, you may also be covered by another layer of warranties. For example, solar.com offers a TriGuard Guarantee. This marketplace warranty includes:

Solar panel manufacturers guarantee their products are free from material and workmanship flaws. Their warranty typically lasts for 10 to 25 years, offering extended coverage. Common Terms: Manufacturer warranties often cover ...
