What is pillswood battery energy storage system (BESS)?

arch 2023: Official launch and site openingPROJECT OVERVIEW:The Pillswood Battery Energy Storage System (BESS) near Hull in northern England was officially opened by Harmony Energy and its investment company, Harmony Energy Income Trust, in March 2023. This 98MW/196 MWh scheme is Europe's largest

Is pillswood the biggest battery storage project in Europe?

Image: Harmony Energy. Alex Thornton, operations director at Harmony Energy, gives us a deep dive into Pillswood, the biggest battery storage project in Europe, including the bold decision to be an early-mover into 2-hour lithium-ion BESS, in a market of much shorter duration assets.

Where is Harmony Energy's pillswood project located?

Aerial view of Harmony Energy's Pillswood project in northern England, UK. Image: Harmony Energy. UK clean energy developer Harmony Energy has brought online a 98MW/196MWh battery energy storage system (BESS) project. The site, located in Hull, northern England, uses a Tesla two-hour Megapack system.

What is the pillswood project?

The Pillswood project, a 98MW capacity battery energy storage system located near Hull, went live on Monday. Developed by Harmony Energy Limited, the project is considered Europe's biggest battery energy storage system and is managed by a Tesla 2-hour Megapack system.

How much electricity does the pillswood project hold?

The project employs a Tesla 2-hour Megapack which enables it to store up to 196MWh of electricity in a single cycle. The battery energy storage system near Hull can hold enough electricity to power 300,000 homes for two hours. The Pillswood project, a 98MW capacity battery energy storage system located near Hull, went live on Monday.

What is the biggest battery storage project in Europe?

ojectHow we delivered the 98MW/196MWh Pillswood BESS ProjectCase Study | Alex Thornton, operations director at Harmony Energy, gives us a deep dive into the biggest battery storage project in Europe, including the bold decision to be an early-mover into 2-hour

See towering mountains, stunning fjords, majestic waterfalls and gigantic glaciers as you explore Svalbard, Jan Mayen, Greenland and Iceland. Spend several days soaking up the natural beauty of Northwest Spitsbergen National Park and the Scoresby Sund, the largest fjord system on Earth. Discover volcanic Jan Mayen, as well as the remote Icelandic village of Grundarfjörður and ...
