Who is plus solar?

As the nation's leading home solar company, Plus Solar offers world-class residential solar PV solutions. With an aim to bring solar technology to the mass market at an affordable price, the company continuously focuses on innovation. Their core engineering team is expert in the field to meet stringent and international quality requirements.

Who are leaf solar Sdn Bhd?

Operations aside, the three entrepreneurs have set up an investment arm in 2015. Through Leaf Solar Sdn Bhd, they are now the owners of two solar power plants in Kedah and Penang. Within the same year, they established a new energy solutions company in Singapore to tap into the emerging market in South-East Asia.

Is Malaysia ready for solar energy?

At the same time, Malaysia was warming up to the solar energy bandwagon, introducing the Renewable Energy Act in 2011 and launching the Feed-in Tariff policy that popularised the uptake of solar power system installations nationwide.

Quickly realising that they could offer more, Plus Solar Systems was established in 2013. Plus Solar Systems was a solar energy solutions company that provides engineering, procurement, construction and commissioning work. Since the company's inception, Ko and his partners' mission has always been to go beyond traditional solar.
