Is Sun Power Energy a good investment for Poland?

"The Sun Power Energy platform acquisition aligns perfectly with our growth strategy for Europe; we are gaining an excellent local team and an impressive pipeline as a catalyst for our ambitious growth strategy for Poland," said Axel Thiemann, CEO of Sonnedix.

Why did Sonnedix acquire Poland's Sun Power?

The acquisition of Poland's Sun Power brings Sonnedix's total capacity of operating assets and projects under development and construction to more than 6.5GW worldwide. The global solar IPP states that it is actively seeking new growth opportunities through the acquisition of both operational and development projects.

Are there any solar system installers in Poland?

Solar System Installers in Poland	Company Name	On/Off Grid	Starting Date	Countries Operating In
01Cyberaton	On-grid	Poland	3Energy	Poland
