

## Poland wadi noor solar power company

The Manah-1 Solar PV IPP is designed as a greenfield solar PV plant with a maximum power export capacity of 500MWac. The output voltage from the Manah-1 power plant will be exported to the electrical transmission system via the 400 kV Manah switching grid station constructed by Oman Electricity Transmission Company (OETC) near the project site.

Today, we welcome Eng Yahya Al Rawahi as the new Chief Executive Officer at Wadi Noor Solar Power Company," said the JV in a post over the weekend. "Eng Yahya brings a wealth of experience and leadership to our organisation, with a proven track record in the solar industry. His arrival marks the beginning of an exciting new chapter for ...
