Banks. The National Bank of Tuvalu was originally established by Barclays Bank and the Tuvaluan government. For a time, Barclays's interest was replaced by the Westpac Banking Corporation. However, the National Bank is now entirely government owned and there are no branches of multinational financial institutions in the country (2012).

In 2014, the World Bank approved a \$7 million grant from the International Development Association (IDA) for the Tuvalu Energy Sector Development Project to enhance Tuvalu's energy security by reducing its dependence on imported fuel for power generation and by improving the efficiency and sustainability of its electricity system.
