Generic Information. The Republic of the Congo (French: République du Congo), also referred to as Congo-Brazzaville, West Congo, the Congo Republic or simply Congo is a country located in the central-western part of sub-Saharan Africa, along the Equator, lying between latitudes 4°N and 5°S, and longitudes 11°E and 19°E.

It looks like a man being punished or tortured. But to its Kongo makers and users, this figure was a container, empowered by a ritual specialist to house a specific spirit. The figure was consulted like a traditional chief to settle disputes and arrive at binding decisions. Each nail and blade, driven in to energize its powers, represents an issue resolved by its ritual authority.
