

The Rural Electrification Agency (REA) signed another NEP-PBG agreement on 24th January 2022 with Privida Power Limited to add to the gains made so far with other companies in respect of providing access to unserved and underserved peri-urban and rural communities in Nigeria.

For example, PriVida has partnered with leading renewable energy businesses in the design and deployment of retail solar solutions in West and Central Africa. Over the past few years, several products have been deployed into Nigeria and Cameroon.

The five developers involved in the partnership are A4& T Power Solutions, Eauxwell Nigeria Limited, Skipper Nigeria Limited, Havenhill Synergy Limited, and Privida Power. The breakdown of the 1,265 MW capacity showed ...

The MoUs were signed between the REA and A4& T Power Solutions, Eauxwell Nigeria Limited, Skipper Nigeria Limited, Havenhill Synergy Limited and Privida Power for the delivery of a combined 1,265 MW capacity ...
