

Projects for solar energy Svalbard and Jan Mayen

Where are Svalbard and Jan Mayen located?

The islands are located north and northwest of Norway, within the southern limits of Arctic sea ice -- the northernmost point of Svalbard is within a 620 mi (1,000 km) of the North Pole. Svalbard is approximately 24,570 square mi (63,000 square km); Jan Mayen is approximately 145 square mi (373 square km).

What is the population of Svalbard and Jan Mayen in 2021?

Svalbard and Jan Mayen had a population of 2,939 in January 2021. There were 1,542 internet users in January 2021.

Could a new solar project help remote Arctic communities transition to green energy?

Norway has installed the world's northernmost ground solar panels in its Svalbard archipelago, a region plunged in round-the-clock darkness all winter. The pilot project could help remote Arctic communities transition to green energy.

Are Longyearbyen and Svalbard facing an energy transition?

Top image: Longyearbyen and Svalbard are facing an energy transition. This is the background for the cooperation agreement between UNIS, Store Norske and SINTEF. Photo: Graham Gilbert/UNIS. Longyearbyen and Svalbard are facing a huge energy transition.

Alight Energy and 3Flash have announced plans to build a 120MW solar project in the Finnish town of Loviisa. ... Alight Energy, 3Flash to build 120MW solar project in Finland. By JP Casey. October ...

View Svalbard and Jan Mayen electrical tender results, Svalbard and Jan Mayen solar energy contract awards, Svalbard and Jan Mayen power tender awards, Svalbard and Jan Mayen renewable energy tender result information, Svalbard and Jan Mayen wind turbines awards. Similar tenders from other countries.

The solar and BESS at Gemini are DC-coupled, which the companies said allows the BESS to charge directly from the solar and increases the efficiency and capture and storage of the solar energy. That is because the solar energy does not need to pass through a DC-AC inverter, which involves some loss of energy, to go from the solar to the BESS.
