

# Recharge solar batteries Falkland Islands

Does the Falklands need a new wind farm?

But the Falklands feel it is not enough and besides the current wind farm is reaching its renewal date. No wonder then that notice has been given of the planning applications submitted for the Farm Expansion of Sand Bay Wind Farm to include 3 by E70 Enercon wind energy converters and battery storage. FIG and c/o Glenn figure as the applicant.

Can I drive an electric vehicle in the Falklands?

eLink are working on transport solutions for other sectors including off-road 4x4, commercial vehicles, and other specialist custom vehicles. We are able to supply EVs landed in the Falklands at an unrivalled value, no matter the brand or model. If you are interested in driving electric, get in touch.

Where can I find a plan for the Falkland Islands?

FIG and c/o Glenn figure as the applicant. The plans and details can be viewed at the Planning Office, Secretariat, Stanley and on the Falkland Islands Government Planning & Building Services Facebook page. Anyone wishing to comment on these applications must do so in writing, to the Planning Officer, by 2 February 2024.
