

# Rent a yard to install photovoltaic panels

Can you install solar panels on the ground?

Solar panel installations are subject to 0% VAT, and a 4kW-5kW system with SEG can save £640 - £685. You must have heard about rooftop solar panels, but did you know that you can also install solar panels on the ground? Ground mounted solar panels are installed on the ground instead of the roof.

How to install solar panels?

Make space for the solar panel accessories (solar inverter, cables and solar batteries, if desired), for instance in a plant room 4. Plan a day for installation 5. Erect the scaffolding (this can be done by your supplier or by a company you organise) 6. The solar panel mounts will be installed 7. The professionals will install the solar panels 8.

Do you own a solar system with leased solar panels?

In conclusion, you don't own your solar system with leased solar panels, but you do benefit from the electricity it generates. Depending on your energy use, you could shave 20 to 30% off your electricity bill.

How do I install ground-mounted solar panels?

When it's time to fit your ground-mounted solar panels, installers will first need to dig a trench - around 450mm deep - from the solar panels to your property. This is to fit the cable that will transmit power from your array to your home's electricity supply.

How do I install a solar system?

You'll also need to choose how you want to install your system. There are two options: Standard ground-mounting: this uses a racking system, whereby standard solar panels are fixed to a metal frame in a kind of "rack". Pole mounting: solar panels are placed on a pole that elevates them higher off the ground compared to a standard racking system.

Are solar panels paying rent for your roof?

Technically, they're not paying rent for your roof, because you'll get the benefit of powering your home using solar power instead of grid electricity. They'll make money from the electricity you don't use. All excess electricity generated is sold back to the grid via the Smart Export Guarantee (SEG) scheme.
