Attractiveness of Romania for the development of franchise business. Romania is a country located in the southeastern Europe. The population of Romania is 19,506,362. For many centuries Romania's economy was based on agriculture. Now Romania manufactures natural gas, coal, petroleum and iron ore. Most of the raw material is imported.

Clearance. In this section you can find clearance solar panels. These are the panels that are still in stock but in low numbers. They come with a 30-50% discount but the Return Policy does not apply to them. Basically, you can get quality solar panels for a lower price but there is a risk they'll break along the way, and in this case, we won't be able to replace them.
