

Ross solar group Belgium

Lincoln International ("Lincoln"), a leading global mid-market investment bank, is pleased to announce that Ross Solar Group ("Ross" or the "Company") has sold to Consolidated Edison Solutions, Inc. ("conEdison Solutions").

Ross Solar Group services three states for residential solar solutions, and backs its systems with a 25-year warranty. They offer a variety of financing options, and have been in the industry for more than a decade.

Con Edison Solutions (formerly Ross Solar) reviews and complaints, reviews of the brands of solar panels they sell, their locations and the cost of installations reported to us for 2024. Get the best deal.

Ross Solar Group LLC offers a wide range of services to its customers, including site analysis, system design, installation, and maintenance. The company works closely with customers to understand their energy needs and develop customized solutions that meet those needs.

In 2003, he was closely involved in the liberalization of the electricity market in Belgium. As CIO at Energy Solutions Group, he is responsible for the growth of the production assets. He is a proud alumnus of Hasselt University, where he earned his degree in commercial engineering.
