The prices of solar products in Nigeria depend on the capacity, durability, company and the value customers will get from it. Prices of solar power systems are fixed considering the prospective customer's purchasing power and the highest value the customer can get for the amount, of course, everybody has to go home happy including the solar company.

Mtn Lumos Vs Beebeejump. Personally, I wouldn't recommend either, at least if you're serious about the independent power supply. BeeBee Jump can power a 100-watt PC 2-3 times before the battery finishes and can power a 12-watt device for 10 hours plus. Bee bee jump customer support is poor. ... 18 thoughts on "Current Mtn Solar Inverter ...
