

Saint Pierre and Miquelon titre solar power system

Saint-Pierre was a site for settlement by the French in the early 17th century, later abandoned under the Treaty of Utrecht, and returned to France in 1763 at the end of the Seven Years War. As well, the islands became a place of refuge for Acadian deportees from Nova Scotia. Saint-Pierre figures frequently in North American British-French relations.

The commune of Saint-Pierre is made up of the island of Saint-Pierre proper and several nearby smaller islands, such as L'Île-aux-Marins. Although containing nearly 90% of the inhabitants of Saint Pierre and Miquelon, the commune of Saint-Pierre is considerably smaller in terms of area than the commune of Miquelon-Langlade, which lies to its northwest on Miquelon Island.
