Does Hydra energetic shower gel smell good?

Hydra Energetic Shower Gel, our 1st men expert shower gel boosted with taurine. This ultimate ingredient, packed with vi... Ready for in-store pickup in just 30 minutes! LOreal have slipped up on this shower gel now they have taken the orange colour and smell away from it. The gel is now clear and doesn't smell as nice as it did before.

What is Hydromol bath & shower?

Intended for the topical management of Dermatitis/Eczema, Psoriasis and other dry skin conditions. Hydromol Bath and Shower is designed to replace normal soaps and shower gels to support a Complete Emollient Therapy regime. Intended for daily use in the bath or shower as a soap alternative, used to help relieve itching and to soften the skin.

What is 1st men expert shower gel?

Our 1st Men Expert shower gel powered by Mountain Water to provide you with 24 hours of long lasting hydration. Fight against discomfort with the cutting-edge hydrating agents designed to keep you fresh for longer. With a woody fragrance. This shower gel is a 3-in-1 wash suitable for your body, face and hair.

What is Hydromol bath & shower emollient?

Hydromol Bath & Shower Emollient moisturises and softens dry skin and eczema. *It's suitable for all ages and leaves a fine layer of emollient on the skin to reduce TEWL (transepidermal water loss) and helping to restore the skin's natural barrier function. It replaces soap, shower gel and bubble baths. It disperses fully in bath water.
