

Smart ess web Georgia

The Team Georgia website is especially for state employees of Georgia and offers news, stories, resources and information with state employees in mind. It also provides access to several key ...

So, after countless debugging hours, installing a new AP almost glued to the inverter to solve a potential death issue seen in the logging of the mikrotik AP with claims that the signal is low, and seeing the same mostly disconnected messages on the newly installed AP, I've folded and went the solar assistant way.

We strive to deliver consistent and timely information and quality services to state employees throughout Georgia. The following resources are available to state government employees: Human Resources; Sexual Harassment Policies and ...

For those of you who have the WatchPower related app Smart ESS for Voltronic type inverters (EG4, MPP, Sungoldpower, etc) there has been an update to the latter. It has improvements, i.e. when you look at the Analysis tab parameters like PV voltage, charging power, grid voltage, etc, it shows more precise time data as you scroll across the screen.

Several spreadsheets have been created to assist agency personnel in working with the TeamWorks Payroll module. They contain basic set up information about Earnings Programs, Pensions Plans, Deduction Codes, etc. As revisions are made to the setup tables, updated spreadsheets will be posted to this web site.
