The discord server update channel is not entirely specific on which ERAS or EONS and updates changes occur in, so correct the chart if something is wrong. The update screen will show up whenever the developers restart the servers, or whenever somebody closes their VIP server. The Era 2 Icon is a close-up of an unidentified purple aura, but it may be a ...

This article is about Twilight. For more uses of Twilight, see Twilight (Disambiguation). Twilight is the 59th aura listed in the collection. It has a 1 in 6,000,000 chance to be rolled normally, and a 1 in 600,000 chance to be rolled during Night. Twilight provides the player with a crescent moon to rest on, along with a unique pose, featuring the player resting on the moon with one leg up ...

The Darkshader is a left-handed gear that decreases the player's bonus roll cooldown from ten rolls to five, and grants x2.5 luck for 10 rolls, every 20 rolls. While it doesn't describe this in-game, during the Encroached buff, the bonus roll becomes x5 luck every 5th roll. This means that the bonus roll doubles the x2.5 luck effect every 5th roll while you are under the effects of the ...

Aegis, Named after the "Shield of The Sky" Aegis is an anti-star satellite weapon currently being restored by the Science Foundation. It has existed in space for an incredibly long time.
