Solar co installation. Solar co installed our system last year. 17 panels, 2 batteries and a zappi car charger. Their prices seemed reasonable and in line with competitors. The installers arrived at the stated time and worked hard to ensure the entire installation was done in one day. The guys were polite, tidy and hard working.

## Solar co uk Bermuda

Soaring gas and electricity prices have made direct solar thermal heat not just a solution for climate change but also a heat source more economically viable and dependable than fossil fuel derived heat.
