I got quotes for solar install from four different companies... I went with Verde Solar Power because they use U.S.-made panels, their pricing was very attractive (I purchased the system), their install time frame was reasonable, and they were local. [The installation crew was] professional, courteous, diligent, and safety-conscious.

The purpose of the "Santiago 5 MW Solar PV development " project was the development and construction of a Photovoltaic power plant in Cape Verde - 5MW in Santiago (the largest solar power plant in Africa when it was ...

Cape Verde has inaugurated its largest photovoltaic solar plant, a 5 MW array on Sal Island, as part of its renewable energy expansion. The project -- built by Aguas de Ponta Preta -- is one of several aimed at ...
