Fortress Power has been working to help residents of Puerto Rico to get ahead of the storms by installing battery backup storages. Zona Solar, a Fortress Power Authorized Dealer, recently installed an LFP-10KWH battery ...

However, the inverter needs to be a model that allows you to "stack" two inverters to get 240V split phase. Later, as you expand the capacity, you can add a 2nd inverter to add capacity and produce 240. Another approach would be to start with a small but stackable 240 split phase inverter and just add additional inverters as you go.

MANGO POWER M,Whole-Home Backup Energy System. Smart, Reliable Solar System with Easy Installation. Seamless and Integrated Renewable Energy for Your Entire Home.
