

# Solar package Christmas Island

Nestled in the Christmas Island National Park, surrounded by wildlife and overlooking the ever-changing ocean, Swell Lodge is the world's most exclusive eco-lodge. While Swell Lodge will be perfect for relaxing and soaking up the view, Christmas Island itself is also a wonderland of experiences, many of them within easy walking distance from ...

Discover the natural wonders of Christmas Island. Christmas Island is a true paradise for nature lovers, with its stunning beaches, lush rainforests, and unique wildlife. Take a guided tour to see the famous red crab migration, or explore the island's many hiking trails to discover hidden waterfalls and breathtaking viewpoints.

Solar Power on Christmas Island. Our ambition is to help lead Christmas Island towards a sustainable future based on renewable energy. PRL Group have committed towards rooftop solar for all its owned properties on the island, and the design and development of a large-scale solar energy system for Christmas Island.

Christmas Island is home to several experienced tour operators who are eager to share their local knowledge with you. From expert-led hikes to underwater adventures, there's a Christmas Island tour for everyone. Guided tours on offer include: diving and snorkelling trips; birdwatching tours; nature tours; history and culture tours; fishing ...

The seed cleaning shed features a 11,7 kW rooftop solar installation (36 pcs. Trina Solar 325W TallMax (72 cell) solar modules), SMA Sunny Boys inverters 2x5kW, SMA Sunny Island 8 battery inverter (6kW) and a 14.4kWh battery system - Tesvolt TS 25 (48V).

THE BUNGALOWS. Each of the 4 bungalows are constructed of coral stone and traditional exterior thatch roofs and all feature 2 private suites with single room accommodations (usually an extra charge for most lodges - Christmas Island Lodge is the only lodge on the island offering this benefit), a refrigerator, air conditioning, and an en suite bathroom with hot and cold water.

Certain packages include high-quality solar panels, inverters, and batteries, as well as all necessary mounting hardware and accessories. We offer a variety of package deals to suit different energy requirements and budgets, and our expert team can help customers choose the right package for their specific needs. Our Solar System package deals ...
