What is solar Panda?

Solar Panda develops innovative solar energy systems to electrify homes and small businesses. Each upgradeable kit comes with lights, mobile charging, a radio, lantern and torch, with options for premium appliances like a TV. Our affordable financing plans save customers money now and for years to come.

Why should you buy a solar Panda kit?

Solar Panda offers competitive, affordable products. With payment options like daily payments or buying the product outright, Solar Panda kits save money while replacing harmful kerosene and costly mobile phone charging. Solar Panda's products are designed with the long-term in mind.

How does solar Panda work?

Small daily, weekly or monthly payments using mobile money give immediate access to solar energy. The unit is owned outright in as quickly as 1 or 2 years. No more payments need to be made, and Solar Panda electricity can be enjoyed for years to come. Solar Panda offers competitive, affordable products.
