

Solar panel cleaning price list

How often should you clean solar panels?

Experts recommend that you should clean your solar panels every 6 months. It is particularly important to have your panels cleaned if you notice that average energy production levels are dropping. What's involved in cleaning solar panels? The price of solar panel cleaning includes labour, materials and transport to your property.

How much does solar panel cleaning cost?

Solar panel cleaning costs between \$4 - \$15 per panel. The total solar panel cleaning cost will be affected by several factors, listed below. The biggest influence on price is whether your solar panels are on the ground floor or on upper floors. The higher the panels, the more expensive they will be to clean.

How much does solar panel cleaning cost in Australia?

The cost of solar panel cleaning in Australia ranges from \$10 to \$25 per panel. The total average price for cleaning a 2KW solar system with ten panels is \$100-\$250. The price depends on the installation size and access, but this is the general range.

How do you calculate the cost of solar cleaning services?

Cost of Monthly Production Loss = (Total kWh Produced by System Each Month) x (30 days x 0.0005) x (Price per kWh) If the total sum of all monthly losses in a year (or six months) beats the average cost of solar cleaning services in your area, you may consider hiring a professional cleaner.

How long does it take to clean solar panels?

The total time it takes to clean your solar panels depends on the location of your solar panels and how many need to be cleaned. Small, ground-floor set-ups can take around half an hour to clean. Larger solar panel banks or those mounted above the ground floor (on roofs, for example) can take between 1-2 hours to clean.

Can a solar panel be cleaned 'near me'?

If you're looking for solar panel cleaning 'near me', our local service includes any roof panels within a 60ft (20 metre) range from the ground, provided there's a clear line of sight. We can work at an angle and over ledges or porches with our extendable poles. Essentially, if you can stand and point at the roof panel, we can normally clean it.
