Solar PV Service Providers. Solar PV service providers (applicant company), having capacity to deliver the complete package of services including survey, design, supply of equipment/materials, installation & commissioning and post installation back up support must register at the Sri Lanka Sustainable Energy Authority to engage in Solar PV Roof Top installation in Sri Lanka.

A large number of service providers exist in Sri Lanka contracting the installation of Rooftop Solar. They must register at the Sri Lanka Sustainable Energy Authority (SLSEA). Therefore, it is important to select an institution that is registered with SLSEA which they publish a list of registered service providers in SLEA website.
