

Solar power generation experimental equipment wholesale

What is wholesale PV equipment?

Our portfolio of wholesale PV materials and equipment includes PV modules, solar cells, c-Si cell manufacturing materials, and raw materials like high-purity polysilicon. As one of the industry's most trusted solar suppliers, we have the expertise and dependability to support the solar equipment requirements of customers.

Who is solar trade sales?

Solar Trade Sales is a leading trade supplier of solar photovoltaic systems. Once registered our trade customers have instant access to the very best solar PV products including Solar panel modules, Inverters, Mounting kits, Batteries and other solar PV accessories.

Where can I buy solar panels in the UK?

Registered in England and Wales. Company No: 09523259. VAT No: GB 215849492. Edison House, Edison Close, Ransomes Europark, Ipswich, Suffolk, IP3 9GU, United Kingdom. Solar Trade Sales wholesale distributors of solar PV panels, solar PV inverters, and solar PV mounting systems. Trade prices, full system design and UK delivery.

What are the different types of solar equipment?

Photovoltaic solar panels, Inverters, Racking, Balance of System Equipment, Battery Accessories, Charge Controllers, Energy Storage, Inverter Accessories, Generators, Wire & Cable, Electric Panels, Other Tools and Supplies Who are "Suppliers" ? Equipment manufacturers, distributors and solar service providers!

Should you buy wholesale solar equipment?

There are many benefits to buying wholesale solar equipment and streamlining your supply chain processes. Lower priced arrays help more people go solar. You probably got into this business because you believe in solar as an affordable renewable energy source and want to do your part to make it accessible to all.

Do solar wholesalers offer Value-Added Services?

Many solar wholesalers and distributors have evolved their business models to offer value-added services. Some provide storage space to contractors and will drop ship equipment to project worksites. Some offer lines of credit. And some buy back your excess and used equipment as long as the material has resale value.
