

When will Ivory Coast's solar power plants be built?

The minister said that contracts are currently under review for the construction of other solar power plants, with a cumulative capacity of 600 MW. Commissioning of these projects will take place in 2025 and 2026. Coulibaly said the Ivory Coast's installed solar capacity currently stands at 2,907 MW.

Will Ivory Coast get a 52 MW solar plant?

The Ivory Coast government has signed an agreement with infrastructure investor PFO Africa for the financing, construction and operation of a 52 MW solar plant. The project has been billed as the country's largest to date.

How much solar power does Ivory Coast have in 2023?

Ivorian Energy Minister Mamadou Sangafowa Coulibaly has also revealed plans to expand the capacity of the Boundiali plant to 80 MW. According to the International Renewable Energy Agency (IRENA), Ivory Coast had 46 MW of installed solar at the end of 2023. This content is protected by copyright and may not be reused.

How much does the Ivory Coast electricity project cost?

The project, which has a total cost of EUR 75.6 million (\$81.8 million), is expected to power 70,000 homes, saving 60,000 tons of CO₂ equivalent per year. It is creating more than 300 direct and indirect jobs during construction. The project is part of efforts to diversify electricity production in the Ivory Coast.

How much energy does the Ivory Coast have?

It currently has a capacity of 37.5 MW, but Coulibaly says this is set to expand to 80 MW, with financing for the expansion already approved by the Council of Ministers. The Ivory Coast has vowed to reduce its greenhouse gas emissions by 32% and increase the share of renewable energy in its energy mix to more than 40% by 2030.

What is the largest solar project in Africa?

The project has been billed as the country's largest to date. The government of the Ivory Coast has signed a concession agreement with infrastructure investor PFO Africa for a 52 MW solar PV plant in the village of Sokhoro, in the northern part of the West African country.
