Furthermore, English is spoken widely in the Cook Islands as well as Fiji, making both good places to visit for English speakers. If you're looking for some nightlife on your vacation though, then Fiji is the best option of the two. Cook Islands: The Culture. The Cook Islands' culture is a mix of Polynesian and European influences.

Only 18,000 people live in the Cook Islands. It's so easy to engage with the warm local M?ori people and enjoy wide open beaches and clear turquoise lagoons. North of Rarotonga, Aitutaki lagoon is populated by pristine islets of white sand and coconut trees.

You're invited to explore the Cook Islands, an idyllic archipelago in the South Pacific, where buildings are no taller than a coconut tree, yet modern luxury and conveniences abound. It shares a time zone with Hawaii, with its own beautiful beaches, abundant marine life and year-round warm tropical temperatures.
